*Set of 2, Column Furniture Moldings US (11 Inches Tall)\$56.44 + US \$13.70 Shipping—[here](#)*

You may not know, but I am obsessed with molds. Moldings, appliques, reliefs, frames, and anything ornate are things I admire and collect. I stumbled across this seller in the UK that you need to know about if you are into decorating, refinish furniture, or anything of the sort.

[Top Quality Moldings](#) sells some of the most beautiful molds, and appliques that you can add on to your existing furniture, beautify up a plain picture frame, add details to a lamp, and add more detail to an accent chair, or headboard.

Here are a couple of my favorite finds from their store.....
